Providing families with the latest updates from our home

Welcome to our August Newsletter!

Residents put on a wonderful open afternoon for their families, friends and the local community. Despite the windy weather, we threw open our doors for visitors for an afternoon of fun and games !

Visitors were treated to tea and home-made cake in one of the three ground floor reception rooms and entertainment by the local singer Kim Bonsor.

Our Residents also hosted a raffle raising over £700 for their chosen charity Dementia UK including kind donations from local businesses.

Thank you to all who attended & donated to a great cause!

We now have a laptop in the back lounge , should any of our residents wish to use this.

To finish off uniqueness month, we all dressed up in funny glasses. Alan wanted to try them all on and then settled on daisies, Elsie liked parrots.
