Newsletter

December 2023

Providing families with the latest updates from our home

Welcome to our Christmas Newsletter!

We are now in December and there is finally a feeling of Christmas with frost on the ground outside and our new Christmas lights in the garden bringing joy to residents and passers by alike!

As we move ever closer to Christmas our dedicated team work really hard to make sure that every resident experiences the warmth and joy that this season brings. We have entered a 'zero waste' Christmas tree into the local festival at St Mary De Haura (do pop in to see all the wonderful trees!) and are busy decorating the halls with home-made decorations and plenty of tinsel, our own trees and we have a full timetable of activities planned!

We wanted to draw your attention to our carol concert for residents, families and friends on Thursday 14th December at 2pm. It would be wonderful to see as many of you who are able to make it.

We also wanted to take this time to thank all our residents, families, friends, and visitors to Meadowcroft as well as our staff team who work so hard to make Meadowcroft the home that it is. We are especially grateful to staff who will be working over the Christmas period and know that they will make Christmas at Meadowcroft extra special for residents and visitors to the home.

We would ask that family members who are planning to have residents stay with them over this period, to let us know so we can make any necessary arrangements with you. If there are any specific requests or if there is anything we can do to make Christmas extra special for your loved ones, please don't hesitate to reach out to us.

We look forward to seeing you over the Christmas period and the whole team at Meadowcroft wish you all a wonderful Christmas, filled with love, laughter and joy.

Vanessa
