Providing families with the latest updates from our home

Welcome to our May Newsletter!

As you are aware we had a visit from CQC last month. We are happy to share with you that Meadowcroft received a rating of 'Good' in all areas. This really is fantastic news and rating to be proud of! Thank you to all our staff, residents and families that participated.

The inspector gave brilliant feedback and commented that-

"At Meadowcroft people were supported to have maximum choice and control of their lives"

We invite you to read the full report by visiting the link on our website, on the CQC website or by using the QR code attached.

If any residents or families are currently looking to purchase a wheelchair for getting around the home or trips out, please let me know as I would be happy to advise you on where you can purchase these from. We cannot guarantee our wheelchair will be free when you need it so recommend residents have their own where possible.

As most of our residents like to sit outside in the sun during the nice weather, we ask that residents or family provide suncream as required so we can keep loved ones safe.

Thank you.

Vanessa

Our activities were endless last month and we all had so much fun, from planting sun flowers to playing armchair basket ball and much more ... come and take a look!
